Can we decorate the Chapel or bring items to toss/release after the ceremony?

The Chapel is already decorated with beautiful greenery and white orchids that are planted inside the Chapel all year long. During the season of Advent (the end of November, and the month of December) red poinsettias are planted inside the Chapel and an evergreen Advent wreath is suspended above the altar. To preserve the natural setting, no additional flower arrangements, ribbons, bows, or aisle runners are permitted. Couples may add aisle flowers created by our preferred Chapel florist, please see “Wedding Aisle/Pew Flowers” for more details.

Rice, confetti, birdseed, flowers, flower petals, etc. cannot be tossed inside the Chapel or outside on the grounds. Bubbles, balloons, butterflies, birds, etc. cannot be released on the grounds.

Is there a Bridal Room?

May we hire our own photographer/videographer?

Yes, you may hire your own photographer or you may hire a photographer from our suggested photographers list. All photographers adhere to the same guidelines and must stand behind the last pew during your wedding ceremony. Once the ceremony has finished, you may re-enter the Chapel for close-ups and reenactments.

All videographers must adhere to the same guidelines by standing behind the last pew during your wedding ceremony with the exception of our Wayfarers Chapel videographers. They have the capability of using remotely controlled cameras from an adjacent room which provides close-ups during your service. The use of drones is strictly prohibited on the Chapel grounds.
